Lisa Garell lit a candle in honor of Brandon.

Dear Brandon of all the many blessings however great or small to have had you as a nephew was the greatest one of all. I loved you so dearly and although we may not understand God's plan, we have to trust that you are now at peace as you take his hand. I will miss you until then. Love Aunt Lisa Garell

My heart is heavy with grief for you and for the friends with whom Brandon made childhood memories. I can recall so many happy times with Brandon: remember lofty conversations, hear his laughter with Mark, and see that great big smile. I send prayers for comfort in an unimaginable loss; too heavy to bear alone. With love and precious memories, Molly
