So many memories of Aunt Bessie. She and Uncle Calvin lived on a farm in Wagoner county and many of their neices and nephews grew up spending part of the summer vacation there with the pigs, cows, sheep, chickens, ducks, rabbits, geese, fishing pond and garden. She loved to garden and had beautiful flowers and helped me with all my flower gardening over the years. She was able to share a lot of my kids life and shared holidays with us. She taught my kids to play the card game Darta - and they have that as a happy memory. So many Kolache Festivals at Prague, OK that we all spent together. I am so glad that a few years ago I was able to take my parents to see her and her family in Texas. I am so thankful to have had her in my life. Viki Opela McMillin

Bessie and I shared the same birthday so we always went down front in the church, then the church sang "happy birthday" to us. She was always such a good friend, and happy caring lady! I missed her tremendously when she moved to Texas but tried to keep in contact with her at Christmas and on her birthday by sending cards. Like Viki posted, I am so thankful to have had her in my life. Dorothy Melone
