Jack was a wonderful father figure to me during my days in Tulsa. I'm so sorry to hear of his passing and send my condolences to Ethel and the rest of the family. I so enjoyed Jack's Celebration of Life tonight via Facebook. I cried. I laughed. And I cried again. May you continue to find peace and comfort in the days and weeks ahead. Karen Wicker

I just remember Jack photographing or videoing pretty much every major event at Memorial Drive for as long as we have attended there. He was always smiling and seemed so happy to serve. What a wonderful legacy he left his family! He will be sorely missed. Our thoughts and prayers are with all of you!

I honestly can't think of a more positive, kind, and energetic man than Jack. Of all the friends I looked forward to seeing each week, he was at the top of the list. He always had something good to say. I know Jack is enjoying his time with Jesus but he sure will be missed here. I am so thankful for all the years that he was a part of my life. Rick Lathrop

So sorry for the loss of such a compassionate, caring man. I remember we were sharing a meal, at the Maynard's home I believe, and Mr. Jack showed me and Tim how he made music using the rim of his glass. Always smiling. Prayers for comfort for the whole family.
