Sending my deepest sympathies to Alma's family. To lose a loved one at any time is hard to accept but this particular time seems especially hard due to the covid-19 restrictions causing our good-byes to be altered. Alma was my cousin by marriage, her mother-in-law and my mother were sisters so I've known her all my life. I always thought she was such a beautiful woman with her striking eyes and beautiful black hair. She loved her family and was always there to help or play whenever her children or Bobby called. Rest in peace, Alma for you will certainly be missed. May God give your family peace and comfort during this time. Shirley A Watts Showman

Have known this family forever. Went to school with Dolores and Bobby, played basketball with Dolores and helped Bobby coach our daughters in softball. Shared the love of horses @ The Circle C Roundup Club where we rode our hearts out. Bobby's daughter and mine were classmates and played ball together. Have now since Bobby married, have become friends with Harolyn and we get together with another friend for lunch meets and solve the worlds problems. Mrs. Bean was a beautiful woman where she and Bob blessed each of their children with their beauty and handsome looks. Mrs. Bean also blessed each of her children with kindness and tenderness. She will be greatly missed by many.
