Your mom, my aunt was so beautiful inside and out ! Praying for you as you mourn the loss of you mom but celebrating the life she lived! May her legacy of faith and love for family/friends always make your heart happy.I will always remember the many games of scrabble and catagories we played with popcorn and coke cola in hand. Most significant were the many discussions about God , following Christ and faith. Your mom and dad were one of the first I reached out to when I became a born again Christian in 1988. They were a big part of that journey .I am grateful for the years your mom and mine would get together . You were the only cousin I knew growing up. I miss you cousin and I pray we can visit soon.Love you all and so thankful to have known and loved your momma.

Dianne- So many wonderful memories of your beautiful mother Juana. She was not only your mother but the grandmother to Brady and "honorary" grandmother to so many. Very grateful I was able to know her and have her as a part of our lives. It bring a smile to my face when I think about her love of Coca-Cola and her daily walks to the cul-de-sac. She was just was sweet as she was feisty. Thoughts and prayers! Love you all, Brandon, Shannon, and Landon
