I loved June, she was my neighbor for many, many years. She was very kind, loving and thoughtful. We share many memories together, the one that stands out is me teaching her how to drive, quite an experience, I am sure she would say. We began to grow older and living farther apart but started meeting for lunch every month. What fun, good stories the 8 of us shared. I will be looking for her when I get to heaven and we can be neighbors again. Judy Wilhelm

Melissa Wolschke lit a candle in honor of Frances.

Grandma was always a positive and grateful soul filled to the brim of kindness that was unmatched. Always there to lend a hand, wisdom, and more. A compassionate and loving woman that will be sorely missed. My times and memories with her when I was young to present day are never forgotten especially together with all family.

We know that she is happy together with Grandpa and with God now. We love you Grandma and Grandpa; we love you both very much always and forever. -Wolschke Family

Very well said, I will always remember her as a very positive person and always wanted to help when she could. And her love for ice cream.
