Edna White

APR 4, 1933 - MAR 6, 2021

Edna Fern White, 87, was born on April 4, 1933 in Pryor, Oklahoma and passed on March 6, 2021 in Owasso, Oklahoma.

Edna went to school in Tulsa and later transferred out to California, where she met Ken White in 1954. Ken and Edna married shortly after on May 8, 1954. They were married a loving 62 years, before he passed in January of 2016.

They had two children together, Greg and Pam. The family traveled all of the country for Ken's job, but ended up settling in Tulsa to focus on raising the kids. She was always supportive of her children's sporting events and other extracurricular activities. She was a great cook, and made sure to pass along her skills in the kitchen. She will always be remembered as an amazing wife, mother, grandmother and great grandmother. Once the kids were out on their own, Edna went to work for the Tulsa Public Schools system. She worked 17 years before retiring and embracing the country living lifestyle by growing huge gardens. They found Oologah Assembly of God and fell in love with the teachings of Pastor Kent and Tammy, and with all of their brothers and sisters in Christ.

Edna is preceded in death by her parents Clarence M. Winnett and Alice Marie Winnet; sister Ruth Winnett; and husband Kenneth R. White.

She is survived by her children Bret Gregory White and wife Brenda, and Pamela Gail Harp and husband Ross; grandchildren Kendra J. Wiggins and husband Owen, and Camron M. Harp; great grandchildren Max Wiggins, Bryson Wolz, and Avery Wolz; brothers Billy R. Winnett and wife Darlene, and Bobby J. Winnett; and sister Edith Urlaub; many nieces and nephews; and tons of friends.

Funeral Services will be held on Tuesday, March 9 at 12:30 pm at the Floral Haven Chapel, with visitation held an hour beforehand.

Aunt Edna was one of the most positive individuals I have ever known always looking on the bright side of life. She was a great role model and mentor for how to live life and walk in the light. I will most remember her smile and carry my memories of her in a special place in my heart. Love Chad Winnett

My Aunt Edna was a great treasure to our whole family and especially to me. She and Uncle Ken took good care of all of us when we visited, which was very frequently, when we were kids. She and Ken even had some of us kids over for months at a time during the summer! The whole family, Edna, Ken, Pam and Greg were always a joy, with lots of fun (and funny) events happening all the time. When I had my own family, many years later, they had us over several times. As always we had a wonderful time and my family cherishes every minute. Edna was the kind of person whom you don't often meet. She may be the kindest soul one could ever know. She was also funny and witty, and would "correct" us with something funny, that would make us re-think what we were doing when we were kids. Sometimes we ask for God to bless somebody. God already blessed Edna. See you later Aunt Edna. Love always, Kevin Winnett and family.

Edna was always there for me. She lived with my mom and I before Ken and Edna were married. As pre-teen and teenager I spent my spring and summer vacations with them. they took us to the beach and we had beach parties and garage parties. After all it was the 60's. They were such fun loving and firm second parents. Edna was there when my parents were working. She was still a large part of my adult life. We talked almost weekly. My husband and I visited them on vacations. I also came back for Ken and Edna's 50th anniversary celebration. what a wonderful week that was. Everyone was welcome. There were beds and sleeping bags everywhere. i would love to relive that week of family love once again. My daughter and I came for one last visit before Ken passed. They told stories of my childhood, etc. My last trip was 4 years ago and we talked about everything under the sun. I could always ask Edna about anything. When my Mom passed 28yrs ago she helped fill the the void. Whenever I needed a boost or to be uplifted, just the sound of her voice did the job. She always was sunshine in my life. I spoke to her a few days ago and told her she is now my guardian angel and the blessing in my life. She was truly an inspiration to us all.I love you foreverBarbara (White) Messerli and Nick Messerli Natalie (Messerli) Le GaspiNicky Messerli

Bill and Bob, her younger brothers always knew she had our wellbeing in her heart. After high school she went to work and helped to fill the financial holes in our lives that Mom and Dad weren't able to fulfill. She was a beautiful soul to everyone who knew her.Bob and I always felt better about ourselves whenever we were around her. We will miss her more than we can put into words. We know she will go with God and have a joyful reunion with her beloved husband, Ken. We love you, Edna.
