We lost Baylor Michelle Boggs on April 6, 2021

Our Little Angel, who will always be a precious gift and memory.

Even though Baylor did not live long, she left behind a family that will dearly miss her.

Surviving are her parents Skyler and Holly Boggs along with many other family and friends that were patiently waiting for her arrival.

The moment we knew of her we felt blessed. The moment we seen you in your mommy's tummy we were anxiously waiting your arrival. The moment I held her in my hands so tiny and small she was beautiful and perfect in every way. I fell in love with her and as my 3rd granddaughter Baylor Michelle will always be loved and a part of my heart until I get to hold her again. I know until then she will be in Jesus arms . Nanny
