Carole was one of my best friends in high school. We shared a lot of times together, double dating, attending slumber parties, dances, etc. Over the years, we stayed in touch at class reunions, parties at our home and much more. Carole was always the photographer for whatever we were doing. I have lots of photos she had taken dating back to high school and all the years afterwards. She was always faithful to make sure copies got to the people involved. She was a beautiful lady and a faithful friend. She will be missed by all who knew her. My sympathy to the family.
