Ricky "Rick" Langston

OCT 28, 1956 - MAR 30, 2021

Rick Langston was born on October 28, 1956, in Levelland Texas. He was adopted and raised by Gene and Joyce Langston in Locust Grove, Oklahoma. He departed this life on March 30th, 2021 at his home in Broken Arrow, Oklahoma at the age of 64 years. Rick attended school at Conroe Highschool. Rick left home to serve in the Navy from January 1974 to June 1976. He was awarded the National Defense Service Medal. During and after his time in the service, Rick was able to travel and explore many areas of the world. Later in life, he was involved with his local VFW. Rick was known by all as an extremely hard worker, and prided himself as someone who “pulled himself up by his bootstraps”. He had many talents and worked for Goodwill Industries for almost 20 years until he retired in March of 2021. He cared greatly for his work family and his friends who became family over the years. Rick enjoyed fishing and exploring with his metal detector. Rick’s children were his life and he enjoyed spending quality time with them whenever possible. His loved ones will remember the warm smile that he had for everyone.

Rick is survived by daughter Mikki of Tulsa, Oklahoma, son Tyler of Pryor, Oklahoma daughter Jennifer of Girard, Pennsylvania, and granddaughter Jamertta of Girard, Pennsylvania. He was preceded in death by his parents.

I also worked for almost 20 years with Rick at Goodwill. Our friendship grew through the years and I knew I could depend on him as needed. This led to sharing more about ourselves and I truly looked forward to seeing him. God Bless him and his loved ones.

I had the privilege of working with Rick for nearly twenty years. As others have stated, he was one of the hardest working, most dedicated people I've ever known. He set high standards for himself and he expected no less from others. Rick had a quick smile for everyone and dry sense of humor, but no one was exempt from his good-natured teasing. He was committed to his job, but most of all he was committed to his children. Rick's passing is a great loss to all of us and will be missed, but he will be remembered for the good man that he was and all of the lives that he touched.

I met Rick in high school. He was a constant in my life at that time. I was ill my senior year & raising a steer for FFA. Without hesitancy, he stepped & took over caring for it, feeding & daily walks/runs-lol! He showed the steer in the stock show & won us first place. He was a caring person & very compassionate always giving of himself. Sadly we reconnected too late but I still got to visit with him and see what an amazing man he became in life. His love for his children was never ending & they were his reason for living. He will be missed by all who knew him.
