Thank you Haskins family for sharing Waynoka with me and many others. We had so many precious memories of trips together, being one of her prayer partners, and enjoying great food and fellowship. Most important are the priceless moments in the prayer times in her home. She walked in the love of God and ministered to so many people and we are all looking forward to being with Waynoka and Jesus forever. Love every one of you and sharing the scripture that Waynoka and I shared together Ps 16:11in His Presence there is fullness of joy.... God bless each one of you as He give you His comforting love. William Salter lit a candle in honor of Waynoka.

I grew up with the most agreeable person I would ever know. When I made her smile, her smile would close her eyes! Regardless of giving her reason, I would never see her anger or harsh word. She is the last of her tribe. An inspiration, to those of us who knew her, to be better! I loved Aunt Nokie. -William Salter
