Wendell Ray Cook

JUN 29, 1929 - JUL 4, 2021

Wendell R Cook passed away peacefully on July 4, 2021, after just celebrating his 92nd birthday 6 days prior. He was the most kind hearted, father, grandfather, husband, son and brother was born in Stillwater to Lela & WO Cook. Wendell grew up in Cushing, OK, graduated Cushing High School then attended & graduated from Oklahoma A & M, now Oklahoma State University in Stillwater in mechanical engineering and aerospace. He later attended MIT, working on his Master's degree in Boston while working a full time job and raising his four school age children with Suzanne.

Wendell met his forever love Suzanne while attending OSU and they married shortly after his college graduation. Wendell had a distinguished career which spanned the late 50's through 70's which included working on design teams for the pioneering of the NASA missiles and space program. His talent required Wendell to move the family more than 10 times over these years. which included assignments in Colorado, Texas, Massachusetts, Pennsylvania, Michigan and returning to Oklahoma. When he returned to Oklahoma in 1974 he changed his career path from aerospace to Housing and Urban Development where he traveled between Oklahoma City and Tulsa Once they became empty nesters and all the girls were living on their own, he started his own Century 21 Real Estate office in McAlester OK, which was in operation for the next 15+ years. He always managed to stay very involved in the business related organizations and clubs too numerous to list. Wendell retired in the early 90's when they made their final move to Tulsa to be closer to family.

During the last year of their daughter Kerri's life, both he & Suzanne were caregivers. Kerri died at a very young age of breast cancer. Their hearts were broken to lose a daughter with a small child at such a young age. Wendell later became his mother's care giver, then again his wife's primary care giver for a long emotional journey with her Alzheimer's and lung cancer. Suzanne passed away just several weeks after they celebrated their 60th wedding anniversary.
