Just heard about the passing of Lee today and we were sorry to hear that she had passed. Lee and her husband were are neighbors in Tulsa on West Seminole Place. I will never forget her great smile and warm heart. She always warmed my heart and gave me words of encouragement on days that I had a hard day at work. We spent time in the yard discussing the importance of raising children in today's world. She was very proud of her children we had the privilege of knowing Melissa and Mark. Lee will be missed by all that knew her she was a special lady to everyone that knew her. My prayers go out to the family . From a Lynetta and Ben Tart

I had been at a loss for words, since Lee, as we fondly called her, left us so suddenly. I'm sure she would want us to be happy for her because she is with the Lord. I am going to miss talking with her from time to time. I couldn't ask for a better sister in law or friend. She was so kind, thoughtful, giving, and so loving. She always gave her best and wanted the best for everyone. She Loved the Lord and inspired others to be followers of Jesus. She will never be forgotten. I admired her fervent love for my brother and her children. Im praying continually for our family, especially my brother and my nieces and nephews as we all go thru this time as we comfort each other. With love and prayers Aunt Adrienne

The last time I saw Aunt Kim was during Grand Hike's funeral. She had me take her to the market to stock up on King Syrup ❤️. She absolutely loved her family and her unconditional love is something I will always remember. I send all my love to my family during this time.

What a lady, and example for us to follow. What a team you folks have made. Trails you folks have cleared. Enemies of God you both have conquered. Foundations you all have laid. Walls that have fallen and spiritual forces defeated because it's you folks that have willingly marched into battle. What a lady and soldier for our Lord Jesus Christ. She surely will be missed by everyone who knew her. Here for you my friend. Thank you for sharing. I know there is much sadness and sorrow but heaven is that much brighter because she's there and she's waiting for us all. Rodney Stacy and family

What a friend. Always a cheerful word and smile. One of the hardest working persons that has ever lived. A true friend to my parents, my wife and myself. We will miss you greatly and look forward to that blessed reunion in that city you've labored for and have now entered.Noah and Jeannie Marshall
