**Janene McGuire** posted:

Oh, how I am going to miss my sister. I'm the one who could always find something to talk about even if she played out on me. At this time I can't say anything except I loved her and vise versa. We did from Bible Studies to horsan around. From all nighters and with my Mom when she went home and now Sue has gone too. We are the age when this kind of thing happens and we say good bye but see you soon. I'll probably write more I'm sure. More about her and less about me.
