She was always a top producer and retired after 45 years.

I first met Nanette when she and Joe opened their home to me one Christmas. You would have thought I was one of their own daughters. She made me feel like we'd known each other for years. It was a very difficult time in my life. She had no idea. I think that is a gift. ☐☐

Mom always said we never needed to ask if we wanted to bring friends home. She was like a 2nd mom to several of our friends. I love that she made you feel like family especially at a time when you needed it. ❤️
