Hi, I was a classmate of Faith's at Carnegie Elementary! She and I would work on things together in the classroom when we were in about 3rd or 4th grade, and I absolutely loved her and have remembered her all these years. She had such a positive impact in my life. I am now working towards my special education teacher certification and googled her name because wanted to reconnect. I'm so sad to hear she has passed. And I really wish I would have tried to reconnect with her sooner. I'm so sorry for your loss. She was a very special person and friend to me who I will always remember. Love, Cailey (Dougherty) Klingaman

To Mike, Debby and family, Thank you for the privilege of working with Faith and sharing smiles during therapy. Faith has been a precious young lady to work with and your family so gracious to all her caregivers. I will treasure her smiles during our play times, as well as those "possum" faces when she had enough! May she run on streets of gold, safe in the arms of Jesus!

One of my favorite Faith moments had to do with prayer. It was a morning when we were in the gym and Faith was standing in a large tray stander. She was not too happy. It was winter was and early and Faith was not really a morning person. I told her if she didn't want to come to school so early she would have to pray and ask God for a snow day. She bowed her head at which point her physical therapist, Kana, and I said we would agree in prayer with her. Sure enough, the very next day we had ❄️. Child-like faith for he win Faith. ❤️
