Your voice in support of families will be sorely missed. I take some comfort that you no longer are in pain. You left us too soon. Condolences to your family

We kicked butt rallying for Dusten and trying to keep Veronica home. You've been a fantastic friend and I will miss you forever. To her family, I am so unbelievably sorry for your loss.

Brooke Corley shared 2 photos to the **Tribute Wall** album.

Included is a picture of the day we met you. You were so kind and the first to welcome us to our first TAGF meeting. You came right over and put the kids (just babies at the time) in the swings and helped me a lot since I was alone. Another photo of just one of the many memories we shared with you and your daughter and her family. I'm so thankful to have met just wonderful people and I'm heartbroken to have to say goodbye to you, sweet friend. I know you're finally at peace but you were definitely a shining light. Rest well.
