Arla Mae and Del were one the couple in the Grand Forks Assembly of God church when Angie and I were dating. They hosted a memorable New Year's Eve party in 1958 for all the youth but that was only a small item in their contribution to the constant support they continued to provide. Much later, they visited us in Massachusetts. Another memorable time. I think they even gave a short concert in our little Assembly of God Church there. Though we lost contact with in all of our moves and changes, we will always cherish the good memories that they gave us. Blessings and God speed. Angie and Dennis Berg
