Some of my fondest memories are of times shared with Carol, Joe and close neighbors at holiday cookouts and card games. Lots of laughs and camaraderie for all. Miss you Carol but know you are in a better place. With Love, George Routon

I loved my mom so much. In her later years she became so sentimental. I used to love to sit around and reminisce with her. When she passed she took a piece of my heart with her. I will carry her memory with me for the rest of my life..

When Carol died, she took a piece of my heart with her. She was my sister and my best friend. Growing up, I was the sarcastic one and when she started getting sassy, I told her that was my job. She said it was her turn. I pray when she meets up with Joe he's holding on to his hat! You are gone, but you will always be in my heart. I love you Carol. Tommye Lucy
