Sonny, even though you weren't "blood" you were FAMILY. You were the ONLY grandpa I had my entire life consistently. Rain or shine, you were there. Thank you for every single memory, every joke, every hard time you gave me, every ounce of love you showed me, and for the unconditional love you had for my Nana (may she be resting in peace with you now). I am so thankful I was able to spend some time with you the last few days. I love you ❤️🥺🙏 I pray quick healing for your entire family. I hope to get to know them better going forward. Tell Nana hello for me, and don't let her give you too much trouble now that you're back together.

I have too many memories to share just one. I think my favorite is that you stepped up as a dad even when I was a mess of a teenager. I love you.
