Christopher M. Molina - My dear family and friends...with a heavy heart we need to announce that our beautiful brother, father and uncle Mr. Christopher M. Molina passed away on Sunday, 10-31-2021 at approximately 4pm. He fought to his last breath but the cancer was extremely aggressive and through the Grace of God his fight was over today. We love him greatly and miss him very much but we know we will see him again soon. Thank you all for your love, support and prayers.

Sean lit a candle in honor of Christopher.

I met Chris when I got hired into Walmart. Chris was a kind person who was always willing to help. I suffer from ADHD so paying attention to details is not always the easiest. He was always so patient and understanding and was willing to go out of his way to help. Chris is a genuinely kind person and a great coworker. My condolences to his family and Rest in Peace bud.

I met Chris when they put him in produce the first day...He said he knew nothing about produce and I said don't worry because it changes way to often...We became good friends that day as we worked together and I will always treasure that day and and my friend Chris...All the years I worked with Chris, he was always a hard worker and wanted everything just right...He was a crazy dude not only with his workers but also the customers... They loved him and some would really hassle him and he did loved it and he would hassle them back... And it made work so pleasant to have him around...I later moved on to other stores but kept in touch with Chris and would from time to time go by and see him...I got to work with him my last year before retirement and we had the same good times together again... I will surely miss my old friend, a good friend and a great man...Loved you like a brother Chris, so go now and rest...Ed Ferguson
