Bob & Dorthy Nellans posted:

Condolences to the family, We've enjoyed our friendship through the years, Bob was a classmate of Paul at Richland Center High School, Rochester , Indiana . We've travelled to Oklahoma and spent neat times together, and Paul has travelled to Indiana several times too, so sorry to hear of his passing, We lost contact with Paul , as we did not know his newer telephone number. We're thankful for the good times spent together, blessings to the family, he'll be missed by all here in the area he grew up in, and by those whose lives he touched in Oklahoma, Bob and Dorthy Nellans, We'll let his friends here know of his passing and share this at the Alumni Banquet . (Just a note from Bob, Paul came to Bob in high school and shared he was having trouble with a math class and asked for help, Bob gave him some clues, he took them and did really well, allowing him to enter the field of electronics , where he excelled, as all know) Again, our condolences to the family,
