There are too many memories to share here. Frances and I have been friends for just under 58 years. We laughed together, we cried together, we talked each other off a cliff more times than I can count. There were times we wouldn't talk for weeks and sometimes months, but when we did talk it was like we picked right up where we left off. She knew more about me than anyone else on earth. Her girls will always and forever be my girls as well. She will be forever in my heart and I will miss her dearly.
