When I married Bobby Pennington I was introduced to a whole bunch of Penningtons at all the Holidays etc.. I remember the most about you, you were the older quieter one that seemed to keep everyone in line.and looked like you really enjoyed yourself. I felt all the others sort of looked up to you. You were one of the most nicest persons to talk to and you made me feel welcomed even at that young age. As Years passed, your wonderful mother Larine always kept us informed how you and your sister were doing. The world has lost a special person too soon. My Heart Goes to all of your family at this horrible time.
