Jerry was a true man and a true friend. Always willing to help someone in need. We will remember his ability to tell a fantastic story, without exaggerations, and hold his audience. His life story has captured and held many an audience and continues to do so today. He is and will be missed dearly. We love you, Jerry, until we meet again. . . Jake and Janell Gregory

I remember Jerry and his life-long friend Gary Wise coming by our apartment one evening. We jawed a bit and Jerry couldn't find his Zippo lighter, we looked all around where he was setting but couldn't find it. Mystery was solved when we finally found that he had dropped it in his coffee cup...full. S.Ford
