**George Thiesen Wedel Jr.**

NOV 21, 1927 - JAN 10, 2022

TD

**Toby Davis** lit a candle in honor of George.

I worked with George at McDonnell Douglas in the calibration lab from 1987 until he retired. George was a good mentor and friend. For many years he would call me on my birthday and we would talk about the good old day and catch up on what was going on in our lives. I miss you George.
