Lova Mullins

DEC 2, 1946 - JAN 19, 2022

Lova Gertrude Mullins was born Dec 2nd, 1946, in Chicago, IL. To Tullie Richard Verble and Lydia Maud Higgins (Verble)

Lova was born with a severe Arthritis which made things in life a bit challenging. Due to this, around the age of 10, she was unable to walk for some time, so she was welcomed by The Shriners for them to assist in getting her to walk, which took a year of traction, multiple therapies and surgeries. The Shriners have been such a blessing to our family for their love and help. As a child or as an adult, Lova never complained about pain or problems, she was always found to be very positive, upbeat and a strong, amazing lady.

In 1966, Lova met the love of her life in Robert Mullins. The two married that same year, and much to their surprise, in 1967, they were blessed with their 1st child. Then another blessing in 1972 and their next blessing, in 1977.

In the late 70's the family moved to Tulsa, where Lova became a store manager at Circle K. Prior to this, she worked as a Real Estate Agent in Chicago.

Lova was known to never meet a stranger. She was the kind of lady that once you met her, you could be sure you wouldn't forget her! She had such a kind soul that would listen or help in any way she could. Lova was a very passionate family woman and loved her friends dearly! She enjoyed making jewelry, dancing, playing games with the family. She enjoyed her time as Sr Regent at the Tulsa Moose lodge. Christmas always lit her up! Her house became a Village!! Lova knows her God and that his love would never fail her. She is rejoicing with him and smiling down, being our newest Angel in Heaven.

Lova was preceded in death by both parents and multiple cousins.

Lova leaves the following loved ones to carry on her legacy until they meet again:

Too many memories to mention just one. There were the talks that sometimes went into the wee hours of the morning. Countless vacation trips by planes, boats and automobiles. Or maybe just to catch a movie. Then, of course there's always the Christmas season. I know it's not good-bye. It's just until next time. But I will continue to love and miss you until next time.

My toots, how I miss you already!! It's been 6 days and many times I've thought I'd call and tell you so many things, only to be reminded that I can't. I know tomorrow we will celebrate you and I will try my best not to cry because I won't be able to imagine you not being there to celebrate WITH us as you always have! I love you momma, and will do my best to make you proud. Thank you for being such an amazing mom and friend! Hugs and kisses my baby!!

She wasn't my mother by birth but she was my mother by love for the last 30 years. There is a hole in our family but we are blessed in the fact that when she went to sleep here Wednesday evening she awoke, whole, in the arms of Christ. This isn't goodbye just see you later.

Paula, thank you! Momma loved your family so much! And equally felt your love for her! Thank you for always being so sweet to mom and a great friend too! I know her and Qwen are having the best celebration and sharing so many stories! The thought that they are both "free" from all their pain and discomfort is such a wonderful blessing!! God has some amazing angels there with him!! Love you!!

Girl, you and mom have that same personality! I am blessed that you became a friend to not only me, but to momma too! I am thankful that mom touched so many lives and don't know a person that had anything I'll against her. She is a amazing spirit, and such a great momma! Love you girl!
