We shared many holidays with Wanda and Robert, and we will cherish those memories always. They have been our "family" since we have no one here. Fred has lost his sparring partner, as he and Wanda liked to banter back and forth on certain subjects. This is a loss we will certainly feel in the days ahead. The bright side is that we will all be reunited one day, and all the pain and suffering will be a thing of the past. Rest in peace our sister in Christ. Love you. Fred and Paulette Wilcoxen

I was so blessed to have Wanda as my friend for over 28 years. We had some good times going out for breakfast and shopping at thrift stores or yard sales. We have been through a lot of trials with health issues, but having each other there was a help. I will cherish my friendship and will miss her so much. It leaves a hole in my heart, but I am thankful that she will not be hurting anymore and that she is in God's house now. Until we meet again, I love and miss you my dear friend. Paulette Wilcoxen

As I am going through the paperwork I have found where Mom had written some of her favorite memories. One of the things she listed was "all those times that we as a family kept the campground at horseshoe bend awake at night playing a domino game called "chickenfoot" with Robert, vicky, mike, flint, betty, shawn, rachel."Also some of the other things she had listed were her favorite trips, those were all her trips to see her parents and the trips to the beach with Robert and her daughter Vicky.
