Robert "Bob" M Carpenter

AUG 19, 1926 - JAN 31, 2022

Robert M. "Bob" Carpenter, was born August 19, 1926 to Ella Nora & William Carl Carpenter, in Porter, Okla. He graduated from Muskogee High School & enlisted into the U.S. Army at age 18. Robert served in WWII, Manila, Philippines, a certified sharp shooter & truck machinist, driving, hauling, dumping heavy war equipment into the ocean at the end of the war effort. He returned home, after 2 years of service, with honors & medals such as good conduct. Upon his return stateside, he attended Kansas State Teachers College, and gained employment at the Coffeyville Journal. After 5 years he took an opportunity at Tulsa World & Tribune Newspaper, where he worked & retired after 32 years of service. It was during this time that he met & married his wife of 58 years, Darlene Carpenter. Together they shared the love of family & travel, spending many years creating memories at "the cabin" outside Caney, Kansas, with kids, grandkids, family & friends. They built a beautiful life and traveled the world, creating a love story of their own. Bob enjoyed wood working & became a clock-maker as a hobby. He spent many hours in his workshop building clocks & special pieces for those he loved. His love of tinkering & antiques led to a "barn find" in Kansas, his beloved 1928 Model A Ford, which he brought home & restored to its original glory. He loved giving rumble seat rides & honking the ooga-horn for kids.

He was an old soul, a quiet spirit, extremely gentle & kind. He was funny when he wasn't trying to be and he always kept us laughing with his unexpected humor in a serious moment. He made everything better, everywhere he went.

Bob, Dad, Papa, Uncle Bob, passed away peacefully at home with Darlene by his side, knowing how much he was loved. He is survived by his wife Darlene, children Jana Hill & Travis, Steve Mullin & Gary Cooper, Jamie Carpenter, daughter-in-law Diane Mullin, grandchildren Jamie Wilson, Lora Richmond, Skylar Francen, Hayley Tims, Mason Moyer, Madison Hill, Tyler Hill, &

Bobalu, your family have been my family now for 43 years. I will always remember you as a kind and generous man. I have never seen you angry, only your quiet sense of humor. I will forever miss you.

Aunty Dolly and my cousins,I can't begin to tell you how my heart hurts for all of you, especially my loving aunt who adored Uncle Bob with everything in her. I know I will miss his kind, loving heart. His infamous ability to carve, build and do so many things with his talented hands. Most of all, I will never forget him taking all of us girls for rides in his Model A (or T). I can't remember exactly. Him building a place for us to sit in the back of his truck and taking us all for rides. We had endless camping trips, marble games, storytelling and so much more. I adored Uncle Bob more than I can describe. I love you Uncle Bob. I'm praying you are whole and healed and enjoying the company of some wonderful family members in Heaven.Love,Your niece Kim and family
