**Margaret Barton His Sister In Law** posted:

Ed has been my brother in law since I was 6 years old. The first time my sister Linda brought him home to meet the family I bite him and the ran away. Little did I know he was still very fit from the Marine Corp and he chased me down the street caught me and sparked me all the way home. Needless to say I never bite anyone again. He loved to tell that story about our first meeting.
