I meant to add this to my candle - I met Colleen in 1979....we've been fast and far friends ever since - I'm going to miss you - I didn't expect the end of our adventures to come so soon and without warning. Rest in peace, my friend - I expect you to meet me when I get there. You did say HI to Hazel, right? LOL (between us) We'll handle stuff here - you take care of getting us to you!! love you.....

Gary and Carolyn Wiles - we send our sympathy and prayers to Colleen's family. Gary and I square danced with Colleen and Ernie for many years, mostly seeing each other as we followed the Chaparral Boys and their dances. Colleen was loved by many. We send our best wishes and sympathy to her loving family.
