Having known Charles Endres, "Charlie", for 57 years through our working for Chief Freight Lines, he eventually became a dear friend and mentor to me. I valued not only his friendship but his willingness to help any way and at any time he could when Chief filed for Chapter 11 and beyond. He and Loretta became friends of mine and my wife, Clauddea, and we both loved them like family. "Charlie" will be greatly missed by all who knew and loved him. Our deepest condolences to Loretta and family. Gene and Clauddea Austin
