Dudlee Ann Linger

DEC 30, 1946 - MAR 26, 2022

Dudlee Ann Linger, former private investigator and retiree from the Tulsa County Sheriff's office, died Saturday, March 26, 2022, in Naples, Florida, while visiting with her youngest daughter, son-in-law, and his parents. She had been battling breast cancer off and on for 12 years and had had a third reoccurrence in January of 2020. At one time she was not expected to make it to Christmas of 2020. Fortunately, she was able to live for more than two years and be able to spend additional time with her family.

She was the daughter of Colonel William Evans Darnell and Eda Belle (Smith) Darnell. Since her father, a World War II B-24 bomber pilot who won the Distinguished Flying Cross and was later a B-52 pilot for the Strategic Air Command, was an officer in the United States Air Force, she lived near several Air Force bases in the United States and England while growing up, as well as living with her grandmother in Union City, Tennessee. She was a 1965 graduate of Enid High School and was educated at Campbell University in North Carolina, Tulsa Junior College, Langston University in Tulsa, and did graduate study in the University of Oklahoma. Her degrees from Tulsa Junior College and Langston University were both granted with highest honors.

Prior to her work and retirement from the Tulsa County Sheriff's office as a corporal, she had her own private detective agency for many years, Shadow Investigations, where she worked on many domestic and criminal cases in Tulsa and surrounding counties in Oklahoma, as well as in other states. She also previously worked as the Planner for the Rideshare program with the Indian Nation Council of Governments Metropolitan Tulsa Transit Authority, Director of Eastern Oklahoma Health Fair programs for the National Health Screening Council, Mediator and Trainer for Project Early Settlement for Tulsa Court Systems and various legal agencies and entities, and then Grant Manager and Project Director for the U.S. Department of Justice assigned to work in the Tulsa County District Attorney's office in order to train police officers, sheriff's deputies, and prosecutors as to how to properly handle domestic violence cases back in the late 1980's.

Hi Mom. I'm missing you a lot. Remember watching the sunset on that hill in Seattle the last night we were there? And getting locked out of the hotel room and having to yell down the phone number because the lady that front desk was being difficult? And eating 2 pounds of crab? It was a hilarious way to end the trip. I'm so glad we spent that time together and I'll never forget all the wonderful times and memories. I love you. Xoxo forever, Natasha
