I miss you Papa. I miss having someone to open presents with on our birthday. I miss the chocolate cake that you always had, even if that meant two cakes (it did most years). Ich liebe dich und ich vermisse dich so sehr.

Amanda Caldwell posted:

Steve has always been a great man. I've been friends with his daughter Lori for almost 20 years, and he's always been another dad to me. There was never a getting to know you phase or a breaking in phase ... just always accepting and unconditional love because I'm friends with one of his kids. He was always interested in what was going on in my life and asking what he could do to help. He was one of the rare good men, and is sorely missed.
