This will always be a favorite memory. He was in icu and had a ventilator so he couldn't talk but he would shake his head yes or no. I walked into the room and said your favorite niece is here! He shook his head NO. My heart skipped a beat! I said I have to be the favorite one I'm the only one you have.. He smiled as best he could and winked at me!When I would leave his house at night the last thing we would do was give each other the peace 🕊️ sign.
