There is a picture of her and I sitting on the back of a little pony. I am crying. I have teased her for years that she is pinching me. I really and truthfully do not know why I was crying.

I am sorry that I just learned of Nancy's passing. I worked with her at Victory back in the 90's in Data Processing/Information Services. Nancy was always so faithful. No matter the adversity she was facing, she always trusted the Lord to see her through it. She was so steadfast. She talked about her kids all the time. I remember that she smiled and laughed a lot. She was a joy to work with. In the last few years we found each other on facebook and we would messaged several times. I remember her fondly. I'm so sorry I missed the service.

Nancy was a genuine Christian with a heart of gold. She is now walking the streets of gold. I worked with Nancy at Victory in the 1990's and knew her spiritual commitment. We are all just passing through. I encourage anyone reading this to ask Jesus to be your Savior just as Nancy did, and you can go to Heaven too some day.

Nancy was always a loving, caring person. I always felt so comfortable around her, we worked together. She loved her 2 children very much. She will be missed by all who knew her. I'm sure she's having a great time in heaven with Jesus and all her friends and family.
