Susan, Terry and family were neighbors of ours in Tulsa while we were in Elementary school - we would walk to school together - lost contact over the years with the family - we use to go to her dad's - Barney's shop on our way to swimming - good memories - so sorry to the family -

My grandson is Zach Robbins and his wife is Megan Robbins. Through them I became acquainted with Susan. Over the years I have learned how much she was loved and how devoted she was to those she loved. You do not get this place in life unless you are a valued wonderful person as I know Susan was. She will remain forever in the hearts of those who treasured her. To her family I wish you comfort and peace. Natalie Bond
