Shirley & Dale were my next door neighbor for 12 years & I loved them like family & because we were next door neighbors we looked out for each other. They'd both come outside and bring a chair out to the fence line and we'd sit and talk for sometimes a couple of hours. Sheik could talk! She had a lot to say & I learned a lot from her. Dale came over through my gate in the morning for many years to walk his dog around the block & while he was at it & told him he didnt have to, he'd always pick the sticks up in my back yard for me. We have a huge Oak tree that is humongous that we share right in the middle of the fence line & part of it has died and limbs always came down off of it during storms so he said he felt like he was doing his part. I will miss Shirley, I already do but I get to see Dale every once in awhile because he lives at the same retirement center my parents do. RIP Shirley.
