Georgie You are such a big part of the Lewis family. When I think of you, I will remember a loving heart, and one of the sweetest people on earth. You brought many blessings to David and I. Just to name a few , taking photos at our Wedding and your generosity, being wise and wonderful. Your personal support following the death of my father 7 years ago and most recently with the sudden loss of my mother! Now you have gone to be with our Lord. I will miss your unique voice, it's beautiful tone. Your way of having opinions that made one stop and ponder it. I will miss the funny birthday cards and your big hugs. Thank you for giving of yourself to anyone who ever knew you! Heaven must be a bit brighter today with smiles and extra, extra joy. Thank you for sharing stories of your children and especially Hunter. Loved our funny birthday card exchange!Finally , I just want to say how I loved having you in my life here on earth and love will continue in my thoughts and memories forever.Thankfully, Marilyn Lewis

Georgie was the kindest, most loving friend on the houseboats at Ft. Gibson Lake, C dock. She even got a little wild when you could talk her into a couple drinks but never more than two and hardly ever did she drink any alcohol. She was always a darling to everyone at the lake and helping anybody anytime. She had a heart of gold and put up with all of us regular houseboat misfits. LOL Miss you Georgie.
