I knew him as Mr. Pritchett, although he wasn't just my teacher, he was also a family friend. I was the flower girl in his wedding to Cathy, and I remember when Jason was born. In fact, I still have a baby photo of Jason in a little red and white striped onesie. I remember Ron as a funny, and gentle man. I spent a lot of time around him as I was growing up, but had not seen him in years. However, I had often wondered how he was doing and where he lived. I will always have fond memories of him, and my prayers will be with Jason and all of his family and loved ones.
