I worked with Ken at Dean Camper Sales back in the early to mid 80's. He was a good salesman and fun to work with. I have used some of his funny sayings over the years with my own family and friends. When they say, "Where did you come up with that?," I tell them about Ken and it always brings up good memories.

Kenneth and Lucille were like second parents to us four kids when we all went to church in Tulsa. Kenneth sang at my wedding and the twins were candle boys. Lucille is the first person to make chocolate chip pancakes around 65 years ago. Love you Linda, Kenny, Donnie, Ronnie and families.
