This month will be a year without my best friend. I miss him more than I could possibly explain and I think of him all of the time. I cherish the nights that I get to see him in my dreams! I have made his two babies, "Baby girl" and "Mico" a special part of my family and will forever shower them with love as he would have. This month he will especially be on my heart. He gave me so many fun, sweet and hilarious memories and I am so blessed that he was brought into my life! He made my world a better place for so many, many years! I love you Choutie 💜.
