Thank you for allowing me to be a part of his service. He leaves behind a wonderful legacy. Proverbs 3:5-6, "Trust IN the Lord with all your heart, and do not lean on your own understanding. IN all your ways acknowledge Him, and He will make straight your paths." My prayers are with you.

I always admired Daynes photography and met him at a couple of Oklahoma cons in the past. My favorite photos are when he includes himself in the shot with the classic Todias pose (you all know the one). It really gave a sense of how much he enjoyed shooting, cosplay and conventions. He was truly a talent.

Dayne was always one of the highlights of any con we attended together. His smile always lit up the room and he made me feel so loved and welcome whenever we ran up to each other in between photoshoots or panels. I have the honour of saying he and I worked together many times to create such gorgeous pieces of art. I never told him this but I have a photo he took of my Diane cosplay displayed in a frame. I treasure each moment I spent with him and I'll be sure to frame even more of his photos if only to keep a small amount of his light in my life. I'm so happy to have known him. Dayne will be greatly missed. I love you, Dayne. I hope to meet you again one day. Rest well knowing you will never be forgotten.

A loving, kind, bright light in the world. You always made everyone feel welcomed, whether you knew them for 5 seconds or 5 years. It is a privilege to call you a friend. We'll miss you.

Dayne, Always a bright person. Days were brighter with you in them. Always caring, always working towards a happier life. You lived a good life, a great one. You accomplished so much and were so loved. You're still loved so deeply. Your passing on was hard. It is hard, knowing you had so much to live for. But you lived to the fullest and will never be forgotten. We gained another bright star, unfortunately earlier than expected. But you taught me something. To love those around you, cherish them a little more. Be kind, make memories. I never took to heart "you never know when next day is your last" until you. Now I will make more memories for your sake and hope you can enjoy them through me too. Thank you for all the memories.

First off, this has come as a shock to your uncle Art, me and your two cousins Art Jr and Curtis D. Dayne, we will never forget you. As a child, I remember that you loved to play hide and go seek. I remember you would also seek up on us and just giggle with that smile. Oh yeah, famous word I remember is SEGA. We will see you one day, but we know you will be watching over all of us now that you got your wings. Linda and John our condolences to both of you. May the Lord our God comfort you and watch over you during this loss. We love you Rose, Art Sr, Art Jr and Curtis D Shannon
