Dear Michael and Family, A year has passed without the presence of Tammy in my life and the lives of all who knew her. Her zest for life, generous heart and sweet soul continue to live on in our fond and precious memories of her. Tammy was like a big sister to me, a great pillar of support throughout all the years that I was blessed to know her, appreciate her and love her. Her vivacious spirit, unique sense of humor and great compassion touched so many of us. She is sorely missed. With warm regards, Poppy

Today I was sorting through cards and letters I've saved, and found some from Tammy. We worked together at the Okla. Tourism & Recreation Dept. and kept in touch after she left. She'd write to tell me about her dog Zeke and loved to hear about my dogs. I looked online to see if I could find a way to get in touch with her to see how she'd was, and was so sad to see that she had passed just this week. Tammy was such a wonderful and kind person, and I'm so glad that I got to know her. My sincere condolences to her family and friends.
