## **Patricia G. Michael**

JAN 14, 1940 - SEP 8, 2022

**P**atricia G. Michael passed from this life on September 8, 2022.

She was born January 14, 1940 in a little town called Krebs, Oklahoma, now nicknamed “Little Italy”. Her parents were James Dewey and Nadine Octavy (Manning) Woodlee.

She is survived by (1) brother, Donald Woodlee and his wife Nelda, and (1) sister, Ann Atchley. She was especially close to two of her nieces, Robin Barrett and Cheryl Atchley, and a nephew Eric Atchley, along with many other nieces and nephews, and great nieces and nephews.

In 1959 Patricia married Soncha Bellis and later divorced. She started her career at First National Bank Tulsa and worked her way up the ranks to become Assistant Vice President of Utica National Bank. Later she met Albert Len Michael, a retired Lieutenant Colonel of the United States Airforce and they married in 1986. She and her best friend Mary Dennis (Winton) both retired from their banking careers and in 1998 they started a business together. They called it Once Again Fashionable Resale specializing in quality women’s fashion, home décor and more. After their business closed, they continued to be the best of friends, enjoying each others company, weekly lunch out & antique/flea market shopping, etc. Mary was a true and loyal friend to the end.

Patricia never had children of her own but adored her three grandchildren that two of her step-daughters, Linda Poole and Karen Villano gave her. She loved seeing them whenever possible and she was so proud to be their “Gran”.

She loved her dog Maggie just like a child. She washed her little face every morning and put a bow in her hair to keep the hair out of her eyes. They often said this is Maggie’s house, she just let’s us live here.

I have many fond memories of my "Sweet Aunt Pat" but, my very first memory seems to be my favorite.When I was very young she came to California to visit us. I didn't understand who she was but I remember that I really liked her and I remember trying to get her to pick me up and hold me. I remember exactly where she was standing in the apartment when I was reaching my little arms up to her and thinking to myself, this lady is so nice. Her smile seemed to wrap me up and make me feel so loved.Other memories are mostly family get togethers for holidays and other functions. Most recently, I have memories of our lunches together and playing Rummikub with her and my mom. It was fun watching them challenge and tease one another. It seemed to be their way of expressing affection and closeness.I am going to miss you so much Aunt Pat! I hope to see you again some day.Love, your nieceRobin Barrett

In loving memory of my dear friend Pat. A true friend of nearly 50 years, who leaves her footprints on my heart. I have a lifetime of our shared memories that will stay with me forever. A truly great friend is hard to find, difficult to leave, and impossible to forget. I will always miss you, but I find some comfort knowing you have eternal peace and tranquility. As Robyn said, you are walking again, only now it is with the angels. Forever, your loving friend Mary Dennis
