## **Ellen Elizabeth Werner**

OCT 18, 1956 - NOV 19, 2022

**E**llie Werner, 66, of Broken Arrow, OK passed away on November 19, 2022 at home. She is survived by her husband, Blake, of Broken Arrow, daughter Shannon of Denver, CO, son Kiel (Samantha) and granddaughters Annabelle, Adelia, and Ayla all of Jenks, OK. Also, surviving are sisters Teresa (Sonny) Kreider and Colleen Myers and brother John Myers (Jen) all of Lancaster, PA. In addition, she leaves behind numerous nieces and nephews and brothers and sisters-in-law.

She was preceded in death by her parents, Teresa and John Myers of Lancaster, PA.

Known for her beautiful quilts and sparkling sense of humor, Ellen Elizabeth (Myers) Werner was born in Lancaster, PA on Oct. 18, 1956. She married Blake Werner in Colorado Springs, CO on Dec. 20, 1980. Ellie relocated to Colorado in 1979 following the Three Mile Island incident in PA. She met Blake while taking classes at the University of Colorado, Colorado Springs where she graduated with a degree in Business Communications.

Throughout her later years, Ellie always maintained a positive attitude that radiated in the many quilts that she made for friends and relatives. She maintained a dry, and sometimes sarcastic, sense of humor. A constant reader with a love of novels about the trials and triumphs of people from diverse backgrounds, she could make a story about going to the grocery store or the antics of her beloved pets a hilarious experience. Every new member of the family received a special quilt from Aunt Ellie. Everyone who knew her recognized the kindness and sensitivity embodied in her choices of fabrics and patterns. During her final years, she took deep joy in sharing her creative spark with her granddaughters who spent many long and treasured hours at Grandma Ellie's dining room table cutting, painting, and putting together the latest project.

Open house remembrance and celebration for Ellie Werner will be held Saturday, November 26, 2022

from 11 am – 2 pm at 682 Meadowood Drive, Broken Arrow, OK

I met Ellie at the YMCA, arthritis swim class, in Bixby many years ago. She made exercising in the pool so much fun. She loved her husband, kids, grandkids and pets. When I had back and neck surgery, Ellie and Blake brought food and visited with me. She loved making quilts and they were beautiful. Even though I don't live in OK any more I will miss occasional visits on the phone. Please know that all of you are in my prayers. .

She truly was everything wonderful and unexpected, it was a blessing to know sweet Ellie. She overflowed with witty jokes, the cutest little craft ideas and compassion. We miss her terribly already. Our hearts go out to Blake, Shannon, Keil and the rest of the family.

I met Ellie at the Y too. It was quite a number of years ago, because we moved to Florida about five years ago. Ellie and I continued to keep in touch. She and I had the same kind of sarcastic wit and loved joking around. We were always laughing when we were together. She made me several table runners over the years that I use frequently. Each is a work of art. One came after my mastectomy with a couple of Blake's pens with breast cancer symbols. I have a number of pictures of the granddaughters which she sent me. One cuter than the other. Blake, she loved you and all the rest of your family. I'm praying now for all of you. May the Holy Spirit fill your hearts with happy memories each time Ellie comes to mind. And may he give you the peace and comfort that only he can provide. Much love from Jean Hord

We are privileged to have two quilts made just for us. To know Ellie and her family is a blessing and we are thankful to God that we shared the Werner family. God bless them all in this sad time. Prayers for God's shield of protection as they walk this road. Betty Lee
