You weren't just the best mom to your girls but to all their friends. You had the sweetest heart. You made us laugh so hard & I'll never forget the time I was blessed to spend in your home. You were a safe place for more people than you'll ever know. You will be so missed

Teresa was the kindest, gentle, loving friend I could have ever asked for. We met when our babies were in kindergarten (karey) we did so much together . I will miss our talks or texts every day! Grief has been hard on both of us the past few years and now I will do it without her while she loves on my grand babies till I see them all again! I love each and everyone of you girls (Rachel, jess and Karey Jo) I will always always always be here for you
