I am so sorry to hear this. Sherrie is still supposed to be the little girl I used to babysit next door. We had so much fun, making forts from blankets and playing Jack's. Sherrie sweet girl fly high, rest peacefully, much love, Paula Bradley ❤️

My journey with Sherrie began at 11/12 years old, when we became step-cousins. It didn't take long to become "forever friends". It was such a blessing to be a part of her world all the years since. The generosity of her beautiful spirit has touched so many other lives, who feel a similar unconditional affection for her. May that love inspire each of us to make efforts to be such a bright blessing to others. Rest easy now, sweet girl! Your light will continue to shine in the countless hearts that were touched by yours.~ Gigi / xoxo
