Fred's mother, Shirley Ruth Hair, preceded him in death, and her memory will forever be cherished alongside his.

The Celebration of Life service in his honor will be held at 12:30 PM on Wednesday, July 5, 2023, at the Floral Haven Funeral Home Chapel. Following the service, a reception will take place at the Floral Haven family center.

To honor Fred's memory and his love for Hawaiian shirts, we encourage attendees to wear Hawaiian shirts as well. It's a beautiful way to pay tribute to his unique personality and the things he enjoyed.

In lieu of flowers, the family has requested donations to be made to St. Jude Children's Research Hospital. St. Jude's is a renowned institution that provides specialized medical care to children and conducts important research to find cures for childhood diseases. Donating to St. Jude's in Fred's name is a meaningful way to support a cause he cared about.

Dad. It's been a while since I have talked to you. I think about you every day. I cry way more than I want to admit. Even 2 years later. I miss you so much. I love you.

I cannot sum up what my father means to me even if I was tasked with writing the largest book in the world. But I will share a memory. Me and him worked together to build a rubber band powered airplane. He let me pick the design. We spent weeks building the plane. And the box to contain it. We would fly in an old armory. And thanks to our teamwork we won 1st place with a 12 minute flight time. I will miss you dad.

Fred is my brother in law. One of the first thing that comes to me was his long hair. I just loved it. I stay with them in Denver. He helped to teach my oldest son(who was a baby)to go up and down stairs. Play in the snow and when the dogs would bark to hush.Back in July 2015 they came to visit me in the hospital. In South Carolina in July it's very hot and humidit. It was great to see them.He was a good person. Took great care of his family and loved his job. I and all will truly miss him.143
