# Johnny West Dorrough

DEC 8, 1980 - JUL 29, 2023

**J**ohnny West Dorrough, a beloved resident of Austin, Texas, passed away on July 29, 2023, at the age of 42. He was born on December 8, 1980, in Tulsa, Oklahoma, to Pamela Wilson.

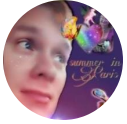

Johnny was a charismatic soul who had an enchanting way of connecting with people. He had an infectious smile that would light up any room, and his warm and friendly nature drew others to him. Johnny cherished his time spent with friends and family, as he found great joy in socializing and creating beautiful memories with those he loved.

Despite facing personal challenges, Johnny's love for others remained unwavering. He was a kind-hearted individual who had a special place in his heart for everyone he encountered. He approached life with empathy and compassion, making sure to lend a helping hand to those in need. Johnny's capacity for love and understanding was a testament to his beautiful soul.

In his spare time, Johnny enjoyed exploring the rich cultural offerings of Austin, immersing himself in the city's vibrant arts scene, and appreciating its diverse culinary delights. He was an adventurer at heart, always seeking new experiences and embracing the beauty of life.

Johnny leaves behind a legacy of love, laughter, and unforgettable moments. He will be deeply missed by his mother Pam; his siblings, Justin West (Johnny's twin), Andrea Sloan and Amy Sloan; along with numerous other family members and friends, and all those who had the pleasure of knowing him. Though he may no longer be with us, his spirit will live on through the memories he created and the love he shared.

Rest in peace, dear Johnny, knowing that you were deeply loved and will forever be remembered in our hearts. May your soul find peace and comfort in the embrace of eternity.

Johnny my first nephew, I'll be missing your phone calls, the love that you had for your family always checking up on your mom, and his Grandma Fay. A memory that will always be with me, when Johnny was at the age 13, he had this passion in drawing so I bought him his first art book and tablet, this made him very happy it was a special moment for him, Johnny got very good at art, and would share his art as he grew. Johnny, we love you, and will be missed, until we met again.

Johnny was the love of my life. His charismatic personality was imbued with kindness towards everyone. When he first began work at Dillard's, within weeks he was a top salesman. If you wanted to go in a purchase a shirt; you did not leave with one shirt. He loved devising graphic art on his phone and working with colors for abstract art. Helping those in need was paramount for him. Johnny blessed me with six years.
